

# INSTRUCTIONS FOR SENDING REPAIR ITEMS TO MAC

(POLICY SUBJECT TO CHANGE WITHOUT NOTICE)

In order to permit you to approve repair estimates in advance, and thus help reduce the time it takes to get the repaired equipment back, we have compiled guideline prices on the following page.

These are average prices which we have calculated on a statistical basis and apply only to equipment which is of recent vintage, has not been abused, nor has impact, water or sand damage. They may further vary depending on the age and use of the equipment.

Please use these guidelines and fill in this form and send it to us with your equipment.
